CAT LITTER

TRUSTWORTHY

If you are looking for a reliable and effective cat litter to provide the best care for your cat, Miner CAT bentonite cat litter is an ideal choice.

QUALITY

Miner Above standards with Cat cat litter

SUPERIOR FEATURES

- **Comfortable:** It feels soft and comfortable on your cat's paws.
- **Hygienic:** Thanks to its excellent absorbency, it allows your cat to use the toilet in a healthy and hygienic environment.
- **Odor Control:** Keeps your home clean and fresh by trapping bad odors.
- **Easy Cleaning:** Its clumping structure allows easy cleaning of waste.

ADVANTAGES OF MINER CAT LITTER?

- **Superior Absorbent Feature :** Miner CAT cat litter can absorb up to 7 times its weight in liquid, which effectively traps your cat's urine and feces and prevents the formation of bad odors.
- **Clumping feature :** Miner CAT cat litter has a structure that clumps tightly when in contact with liquid. This feature allows easy cleaning of waste and allows the litter to remain clean for longer.
- **Dust-free :** Miner CAT cat litter produces less dust compared to other cat litters, which provides a healthier environment for your cat and you.
- **Natural and Safe :** Miner CAT cat litter is produced from bentonite , bentonite is a natural mineral and is safe for your cat.
- **Economical :** Bentonite cat litter absorbs more water with the same amount of cat litter compared to other cat litters, making it an economical option.
